Second Australian Imperial Force Personnel Dossiers, 1939-1947

Repository National Archives of Australia, Various Locations

Date Range 1914

Details

Series B883 consists of service documents for people who served in the Second Australian Imperial Forces (AIF) for the Second World War. The series is controlled by AIF service numbers: a single number series with alphabetic regional prefixes (based on place of enlistment) and an X prefix (indicating enlistment in the AIF). Additional 'F' prefixes were used for female enlistees.
