Queensland Medical Women’s Society

(1929 -)

Born	19290101
Occupation	Professional Association

Summary

The Queensland Medical Women’s Society (QMWS) was founded in 1929 with the aim to further the professional development of Medical Women by education, research and improvement of professional opportunities. It promotes the health and welfare of all Australians, particularly women and children.

As of 2004, the QMWS:

Holds meetings throughout the year, at which a guest speaker presents a topic of clinical or medico-social consequence
Hold meeting/workshops with other groups of professional women incorporating matters of mutual interest
Sends newsletters to members
Provides an annual directory of members annually to encourage professional net-working
Provides mentoring opportunities
