Gay and Lesbian Archives of Western Australia

Repository	Murdoch University
Date Range	1970 - 2004
Quantity	0 28 m
Access	Available for research. Not for loan.
Finding Aid	The GALAWA Database

Details

GALAWA formed in the mid 1990s to collect and protect, precious material from the community. The GALAWA collection is housed securely in the basement of Murdoch University Library. A new committee formed in 2015 to revitalise the collection and we are working towards this. GALAWA is always interested in new members who wish to join and be a part of the committee, assist with archival work or to assist in other ways.
