### Details

The Lespar Collection includes many out of print and hard to find books, the largest collection of lesbian novels in Australia, an extensive collection of journals, pamphlets, ephemera, magazines from international, national and state sources and the complete recordings of "Out of the gilded cage" radio shows. The collection is in two sections, the first being material collected by Karin Hoffmann and the second being the archives of women's organizations and personal lodged after the collection moved to the Murdoch repository.

### Author Details

Anne Heywood
